Course Policies

PARTICIPATION/ATTENDANCE:

~ ATTENDANCE in class in mandatory.

~ PARTICIPATION this class is designed to challenge the physical comfort levels and range of your physical instrument as actors. Please commit fully to movement training exercises without judgement of yourself or others.

~ If an injury or temporary discomfort (Migrane, etc) prevents you from participating fully, I ask you to still attend. Much can be learned by witnessing your ensemble.

~ This course may include exercises that require physical contact. When doing so, be respectful of others. 1. Ask for consent 2. Respect boundaries 3. Speak up if you are uncomfortable.

~ More than two absences will result in an automatic lowering of the student's letter grade by one grade level.

~ Four or more absences will result in removal from the course or failing of the course, depending on the time in the semester. This includes extended absence as a result of illness, etc...

~ To be on time is to be late. Students should arrive AT LEAST five minutes before class starting time and be prepared to start work immediately at the start of class. Please contact the Instructor if you are a few minutes late to class.

DISRUPTIVE BEHAVIOR:

All cell phones MUST BE TURNED OFF at the beginning of class. Laptop computers may be used to take notes. If you use any electronic devices for purposes not pertaining to class (e.g. text messaging, Social Media, etc.) you will be given a warning. A second instance will result in dismissal from the class.

There is no food or drink allowed in the classroom, except water in a capped bottle.

Different students are likely to have different issues that interest them, different understandings of class materials, and different opinions on a wide range of topics. It is important to the environment of the class that we are able to speak honestly and to disagree openly. It is essential, however, that we do so from a position of respect for each other. Any student who is disrespectful to the instructor, fellow students, or guests (physically or vocally) will be given a warning. A second instance will result in dismissal from the class.

"Disruptive Behavior" generally means conduct that materially and substantially interferes with or obstructs the teaching or learning process in the context of the classroom. Besides the above, disruptive behavior also includes conduct that distracts others in a manner that interferes with instructional activities or fails to adhere to an instructor's classroom rules, such as: excessively arriving late, cell phone ringing in class, talking during lectures, sleeping, using cell phones or computers for anything other than classroom content.

COURSE EVALUATIONS:

Learning is a lifelong journey. I value your feedback, and am always looking for ways to improve. As a result, I encourage you to take advantage of online end-of-semester course evaluations. Please feel free to discuss the course with me throughout the semester as well.

## Institutional Policies

### COVID-19 Statement

Lamar University returns to the 2021-2022 academic year after a pandemic that lasted more than 15 months. We will open for business without requirements for masks, vaccination requirements, or social distancing, as announced by Governor Abbott on
July 29. However, for the health and safety of all concerned we encourage all faculty, staff, and students to take advantage of the free vaccines (available throughout the region and at the Student Health Center) as soon as possible. We strongly recommend that everyone continue to practice good personal hygiene practices including regular handwashing and/or use of hand sanitizing products when soap and water are not readily available. Please show respect to those who choose to practice social distancing measures and wear face coverings.

Everyone is asked to continue to self-screen for any signs or symptoms of COVID-19. Please seek medical attention if you begin to feel ill. Members of the Lamar community share significant and unrelenting responsibilities. As members of the larger world community, we have not only the opportunity but the duty to develop and to exhibit a sense of social responsibility. We are responsible for each other and each of us must do what we can to protect our Lamar family and to remember that we have especially vulnerable populations among us (i.e., Lamar community members with chronic illnesses or disabilities, children, and factors that predispose many to respiratory ailments). As we look out for one another, our choices are of the utmost importance.

Should state or federal guidelines change, we will provide updates as soon as practicable.

**Academic Continuity Policy**

In the event of an announced campus closure in excess of four days due to hurricane or other disaster, students are expected to check Lamar University’s website and login to LU Connect for instructions about continuing courses remotely.

**Academic Honesty Policy**

Lamar University expects all students to engage in academic pursuits in a manner that is above reproach. Students are expected to maintain complete honesty and integrity in their academic experiences both in and out of the classroom. Any student found guilty of dishonesty in any phase of academic work will be subject to disciplinary action.

The University and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including, but not limited to, cheating on an examination or other academic work which is to be submitted, plagiarism, collusion, and the abuse of resource materials.

All persons involved in academic dishonesty will be disciplined in accordance with University regulations and procedures. Discipline may include failure of the assignment and/or course up to suspension or expulsion from the university. The penalty may vary by instructor.

Additional information is available on the [Academic Policy website](https://students.lamar.edu/academic-support/academic-policies.html).

**Attendance Verification**

Students must complete an Attendance Verification Quiz for ALL COURSES - both on-campus and online - in which they are enrolled each term by the third class day to comply with U.S. Department of Education attendance requirements. Failure to complete this quiz by the deadline may result in loss of course enrollment and/or financial aid. The quiz is located in EVERY COURSE through LULearn (Blackboard) even if the course meets on campus.

**Course Drop Policy**

Students may drop a course and receive a grade of “Q” during the penalty-free period of the semester or session. For drops after this penalty-free period, grades are recorded as “Q” or “F,” indicating the student was passing or failing at the time of the drop. A grade of “Q” may not be assigned unless an official drop has been processed through the Records Office. Students may drop a course online up to the census day by logging into Self-Service Banner. After the census day, courses must be dropped through the Records Office. For additional help, contact the academic advisor or the Records Office at registration@lamar.edu. **Students may not drop a course during the last 20 percent of the term.** Students should check the academic calendar at [https://www.lamar.edu/academic-calendar](https://www.lamar.edu/academic-calendar) for specific dates.

**Students with Disability Policy**

Lamar University is committed to providing equitable access to learning opportunities for all students. The Disability Resource Center (DRC) is located in the Communication building, room 105. Office staff collaborate with students who have disabilities to provide and/or arrange reasonable accommodations.
If you have, or think you may have, a disability (e.g. mental health, attentional, learning, chronic health, sensory, or physical), please contact the DRC at 409-880-8347 or drc@lamar.edu to arrange a confidential appointment with the Director of the DRC to explore possible options regarding equitable access and reasonable accommodations.

If you are registered with the DRC and have a current letter requesting reasonable accommodations, we encourage you to contact your instructor early in the semester to review how the accommodations will be applied in the course.
