Catalog Description

This course provides an overview of technical research writing as a precursor to the dissertation required in the doctoral program. The focus is to articulate an in-depth knowledge base in verbal and written format. It is Part One of a two-part scholarly writing process.

Student Learning Outcomes

The course goal is to strengthen the scholarly writing style of incoming doctoral students. Students will gain understanding in the following topics: APA, academic writing style (formal and technical), grammar and mechanics of style review, scholarly literature searches, article summary, and research article synthesis.

Students who successfully complete this course will be able to:

- CL01 Examine APA editorial style components: punctuation and sentence structure, selection of headings, references, and citations.
- CL02 Create formatted annotated bibliographies and in text citations.
- CL03 Determine he difference between informal and formal writing.
- CL04 Interpret the technical style of writing including organization and structure, voice, tense, clarity, conciseness, and use of transitions and active verbs.
- CL05 Evaluate and use online library databases for selection of scholarly articles.
- CL06 Identify and apply concepts and implications of plagiarism and copyright issues.
- CL07 Synthesize and summarize literature resources.

Course Materials

Publication Manual of the American Psychological Association (7th ed.)

Author: American Psychological Association
Publisher: American Psychological Association
Edition: 7th 2020

https://doi.org/10.1037/0000165-000

The Elements of Style (4th edition or later)

Author: Strunk, W., & White, E. B.
Publisher: Longman
Edition: 4th or later

You may find the Strunk book listed under 2000 or 1999 for the year, and the publisher may show as Longman or Allyn and Bacon; this text is in the course as an older scanned pdf file and you may use that version.

Supplemental Resource

Optional
Course Policies

Academic Prerequisites

Admittance to the doctoral program in educational leadership and admittance to the Graduate College of Lamar University is required prior to enrolling in this course.

MAKE-UP WORK

Late discussion postings are not accepted because they can provide no additional knowledge since the class has moved to another topic. Other assignments may be submitted for a 10% penalty for each day they are overdue. For special circumstances, discuss with your instructor of record.

ONLINE WEB CONFERENCES

To enhance student-to-student and instructor-to-student interaction, Online Web Conferences utilizing MS Teams have been scheduled for every Wednesday evening from 8:00pm-9:00pm Central Standard Time for weekly class meetings. We will embed the link to these Web Conferences in the course menu so you will have access. We will record each Web Conference so that students who are unable to participate can access, review and respond to our group discussions. Arrangements can be made for additional conferences as needed upon request.

Minimum Technology Requirements

Students are required to have the following skills in order to be successful in the class. Additionally, they should feel confident about their ability to navigate through typical online websites and their ability to use common word processing software in order to submit written assignments.

The minimum technical skills and the system requirements for this course:

- Navigate websites, including downloading and reading files from them.
- Use e-mail, including attaching and downloading documents/files.
- Save files in commonly used word processing formats (.doc, .docx).
- Manipulate data in Microsoft Excel.
- Manipulate slide-design in Microsoft PowerPoint.
- Copy and paste text and other items in computer documents.
- Save and retrieve documents and files on your computer.
- Locate information on the Internet using search engines.
- Locate information in the library using the online catalog.

LU LEARN / BLACKBOARD Learning Management System (LMS)

Students will utilize the Lamar University’s Learning Management System (LMS), Blackboard, for online courses. For Blackboard support go to (https://blackboardsupport.lamar.edu) for more information.

Course Specific Technology Skills Requirements

An ability to browse the Internet using personal computers and Internet software. The ability to upload and download documents within a learning management system (LMS).

Software Used in this Class

Students will be required to utilize Microsoft’s Office suite of programs, specifically Word is required.
Drop Dates

This course adheres to the add/drop standards for each term as stated by Lamar University. For more details, refer to the http://www.lamar.edu and search “Academic Calendar.”

Response Times

Students should expect email responses from instructors within 24 hours. Normally, the discussion posts and most assignments will be graded within one week of the posting deadline. Assignments will be marked with feedback before the next sequential assignments are due. The course level one evaluations will be scored immediately as a function of the learning management system (LMS). Students will be able to view their individual marks earned through the course gradebook.

Course Expectations:

Learning in this course will occur because of lectures (both written and video), assigned readings, and concentrated study by the individual students, and include class discussions, individual reflection, discussion assignments, and one group culminating paper and project. Students are expected to stay current with the course schedule, assignment due dates, and assigned readings. Multiple perspectives on an issue only enrich our thinking about it. For this reason, participation is an essential part of your learning in this course. Your insights are valuable to your fellow students and faculty, and you will also benefit from their ideas and interpretations. There is generally a quick turnaround for grades, so maintaining a schedule that allows you to manage time effectively will be necessary. Students should log into Blackboard daily, if possible, but no less than four times a week to check for updates from the instructor and participate in the discussions (if provided).

Plagiarism is not acceptable and may result in a failing grade for that assignment or the course in full. This includes plagiarism of both published and unpublished information. All work submitted must be your own work unless the assignment was specified as group work. Students are expected to cite references when using another author’s ideas and use the APA 7th ed. format for referencing both in the body of a paper and the references section.

Participation in Assignments and Discussions

Participants are expected to stay current with their course schedule, assignment due dates, and assigned reading. When working in groups, all group members are expected to positively participate in the discussion or activity. Additionally, a grade may be lowered because of a lack of participation concerning class learning activities requiring input and collaboration.

Any work dependent on classroom interactions/participation (e.g., discussion boards, presentations, etc.) or failure to complete exams/assessments during a participation window will not be accepted late.

For all other assignments, late assignments will only be accepted with prior approval from your instructor of record and only in cases of extraordinary circumstances such as critical illness, hospitalization, or the death of a family member. Work schedules/requirements or personal reasons, such as family vacations, birthdays, etc., are not justifications for late submission. Preparation and early submissions will support your learning growth, but in the event, prior notice and/or approval was not given to your instructor of record, a 10% deduction/day will apply. Work submitted a week late will receive a zero.

Group Work

The program works to help foster meaningful and productive relationships with cohort members. As a result, you will be tasked to work in groups for some classes. Please know that everyone is expected to play a productive, contributing, and documented role in a timely manner for any group assignments. It will be to the faculty’s discretion to change group members and/or remove a group member who is not participating fully in group assignments.

Incompletes

We understand that our students are living full lives that include school, work, and family and that sometimes the effects of extraordinary circumstances may prevent a student from completing the course within the semester. In these instances, students must consider dropping the course or requesting an Incomplete (I) as a final grade from their professor of record.

A grade of Incomplete can only be requested if the student has submitted 50% or more of the required assignments for the course;
otherwise, they must request to drop the course or receive late/failing grades for missed assignments. If Incomplete is approved, students will have until the end of the next long semester to complete the course. Failure to complete the course will result in a final grade of “F” for the course (see doctoral handbook).

Students requesting an Incomplete will need to provide compelling evidence in writing that demonstrates a momentous change in their current situation that would justify not being able to complete the course. Examples of acceptable circumstances would be prolonged illness of self or individual under student’s care, unexpected increase in family or job responsibilities, and unexpected or prolonged effects of a natural disaster. Requests should be sent to their professor of record.

Students must request the Incomplete within one week (7 days) of failing to submit a required assignment (i.e. before the grade automatically becomes zero). Any assignments that receive a zero before the request for an Incomplete is filed will not be changed.

Accessibility Resource Center

In the case of extended illness or other such occurrences that may warrant extended due dates or modifications of course schedules or assignments, students must submit documentation through the Accessibility Resource Center.

✅ Grading and Assignments

GRADING POLICY AND EVALUATION

Grading Scale: *(sample 10- point scale)*

<table>
<thead>
<tr>
<th>A</th>
<th>B</th>
<th>C</th>
<th>F</th>
</tr>
</thead>
<tbody>
<tr>
<td>1000-900</td>
<td>899-800</td>
<td>799-700</td>
<td>699 - below</td>
</tr>
</tbody>
</table>

GRADING OF ASSIGNMENTS AND ASSESSMENTS

Description of Assignments:

- Activities focusing on APA, style components, and writing activities for a total=440 points.
- One reflection and one discussion (2 @ 50 points each; total=100 points).
- One APA open book quiz (60 points).
- Annotated Bibliography – students will select fifteen (15) journal articles (from at least 8 different journals) based upon research studies from peer-reviewed scholarly databases (on the Lamar Library website) on their potential dissertation topic and format the citation in APA format and write summaries of each article. At least one of the research articles must be from an international journal (400 points). See rubric in Blackboard and in syllabus.

Grading Scale: **Students must maintain a 3.0 GPA (cumulative) to remain in the program.**

1000-900 points    A
899-800 points     B
799-700 points     C
699 points and below    F

A course grade that is less than “C” is unacceptable for credit in the Lamar University Doctoral Program in Educational Leadership. A course grade of less than “C” will require the student to retake the course. Students must maintain a cumulative 3.0 GPA to remain in the program. Students should not have more than 1 “C” in the program.

Students will be expected to participate in threaded Discussion Board topics. Specific requirements for each discussion will be provided in Blackboard.

Assignments will receive a 10% grade reduction for each day they are overdue. Discussion postings will not be graded if late.
## Course Schedule

</table>
Academic Honesty Policy

Lamar University expects all students to engage in academic pursuits in a manner that is above reproach. Students are expected to maintain complete honesty and integrity in their academic experiences both in and out of the classroom. Any student found guilty of dishonesty in any phase of academic work will be subject to disciplinary action.

The University and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including, but not limited to, cheating on an examination or other academic work which is to be submitted, plagiarism, collusion, and the abuse of resource materials.

All persons involved in academic dishonesty will be disciplined in accordance with University regulations and procedures. Discipline may include failure of the assignment and/or course up to suspension or expulsion from the university. The penalty may vary by instructor.

Additional information is available on the Academic Policy website (https://students.lamar.edu/academic-support/academic-policies.html).

Course Drop Policy

Students may drop a course and receive a grade of “Q” during the penalty-free period of the semester or session. For drops after this penalty-free period, grades are recorded as “Q” or “F,” indicating the student was passing or failing at the time of the drop. A grade of “Q” may not be assigned unless an official drop has been processed through the Records Office. Students may drop a course online up to the census day by logging into Self-Service Banner. After the census day, courses must be dropped through the Records Office. For additional help, contact the academic advisor or the Records Office at registration@lamar.edu. Students may not drop a course during the last 20 percent of the term. Students should check the academic calendar at https://www.lamar.edu/academic-calendar for specific dates.

Students with Disability Policy

Lamar University is committed to providing equitable access to learning opportunities for all students. The Accessibility Resource Center (ARC) is located in the Communication building, room 105. Office staff collaborate with students who have disabilities to provide and/or arrange reasonable accommodations.

If you have, or think you may have, a disability (e.g. mental health, attentional, learning, chronic health, sensory, or physical), please contact the ARC at 409-880-8347 or arc@lamar.edu to arrange a confidential appointment with the Director of the ARC to explore possible options regarding equitable access and reasonable accommodations.

If you are registered with the ARC and have a current letter requesting reasonable accommodations, we encourage you to contact your instructor early in the semester to review how the accommodations will be applied in the course.

Additional information is available at the ARC website (http://www.lamar.edu/disability-resource-center/).

Academic Support

Academic Support can be located at https://www.lamar.edu/students/#acad-supp.

There are many areas (i.e. Advising, Writing Center, etc.) of academic support. Each area provides their own specific contact information and days and hours of operation.

Student Services

Lamar University recognizes that students may experience challenges that hinder success in their academics and/or college experience. We believe in giving all students access to resources that allow them to overcome these challenges. If you are struggling with stress, procrastination, anger management, depression, anxiety, substance abuse and/or eating disorders, please reach out to our counseling professionals at the Student Health Center at 880-8466 to call for an appointment or visit our website.
Your information and situation will be treated with the utmost privacy and is protected by Texas law. These services are available to all currently enrolled students at Lamar University and Lamar Institute of Technology.

Information on Student Services can be located at [http://students.lamar.edu/index.html](http://students.lamar.edu/index.html). There are many resources (i.e. Course schedules, important phone numbers, etc.) available. Each area provides their own specific contact information and days and hours of operation.

### Academic Continuity Policy

In the event of an announced campus closure in excess of four days due to a hurricane or other disaster, students are expected to check Lamar University’s website and login to LU Connect for instructions about continuing courses remotely.

### Emergency Procedures

Many types of emergencies can occur on campus; instructions for severe weather or violence/active shooter, fire, or chemical release can be found at the Office of Environmental Health/Safety and Risk Management [webpage](https://www.lamar.edu/about-lu/administration/risk-management/index.html).

#### Severe Weather

- Follow the directions of the instructor or emergency personnel.
- Seek shelter in an interior room or hallway on the lowest floor, putting as many walls as possible between you and the outside.
- If you are in a multi-story building and you cannot get to the ground floor, pick a hallway in the center of the building.
- Stay in the center of the room, away from exterior walls, windows, and doors.

#### Violence/Active Shooter

- CALL - 7777 from a campus phone (Text 409-241-8002 from a cell phone). Note: Calling 911 from either a campus or cell phone will contact the City of Beaumont dispatch rather than the LU police.
- AVOID - If possible, self-evacuate to a safe area outside the building. Follow directions of police officers.
- DENY - Barricade the door with desks, chairs, bookcases or any other items. Move to a place inside the room where you are not visible. Turn off the lights and remain quiet. Remain there until told by police it is safe.
- DEFEND - Use chairs, desks, cell phones or whatever is immediately available to distract and/or defend yourself and others from attack.

### Copyright Policy Statement

Copyright is defined as the ownership and control of the intellectual property in original works of authorship, which are subject to copyright law. As an institution of higher learning that values intellectual integrity, Lamar University prohibits the distribution of published materials (print or electronic) in violation of copyright law.

### LU Connect Portal

Students are asked to obtain a Lamar Electronic Account username and password so they can log onto the LU CONNECT website. Students may get information on how to get into the LU CONNECT website from the University’s homepage [by clicking on the LU CONNECT link on the left top corner of the screen](http://www.lamar.edu). Follow the steps to secure your LU CONNECT username and password.

### LU Learn/Blackboard Learning Management System (LMS)

Students will utilize Lamar University's Learning Management System (LMS), Blackboard, for online courses.
For Blackboard technical support go to https://blackboardsupport.lamar.edu.

Phone: 866-585-1738

Phone and chat are available 24/7/365

Exams and quizzes taken within LULearn (Blackboard) may require online proctoring. For additional information about online proctoring, click here and view details under proctoring services.

**Network Use**

**ACCEPTABLE USE**

Students must respect the integrity and security of Lamar University computer systems and network, and the privacy and preferences of other users. Responsibility for learning about and complying with Lamar University Acceptable Use Policy ultimately rests with the individual. The network may be used to download, copy, or store any software, shareware, digital media files or freeware, as long as the use complies with copyright law licensing agreements, and campus policies, such as storage space limitations and network bandwidth restrictions. The network may not be used for any activity, or to transmit any material, that violates United States or local laws.

**UNACCEPTABLE USE**

The network may not be used for commercial purposes. Advertising and sponsorships on Lamar University websites is restricted. In addition, students may not permit other persons to use their usernames, passwords, accounts or disk space, or disclose their usernames, passwords or account information to any third party. Students may not log on to someone else's account, internet address, or other network codes, or attempt to access another user's files. Students may not create false or dummy accounts to impersonate someone else. Students may not try to gain unauthorized access (“hacking”) to the files or computer systems of any other person or organization. Students may not impersonate another person by forging e-mail, web pages or other electronic media. Students who maliciously access, alter, delete, damage or destroy any computer system, computer network, computer program, or data will be subject to disciplinary action by Lamar University, and criminal prosecution as well. Students may not disrupt or attempt to disrupt network traffic, and they may not attempt to monitor or capture network traffic in any way. Finally, students may not intentionally create, store, display, print or transmit information that violates the university's Sexual Harassment Policy.

**Netiquette (Online Etiquette) Statement**

Please adhere to the same standards of behavior and professional respect online that you would follow in face-to-face communication with others, but most particularly when writing emails and when taking part in collaborative and discussion board activities. Lamar provides access to network resources, including the Internet, in order to support learning and to prepare students for the 21st century world. Students, however, are expected to adhere to the Lamar University Acceptable Use Policies when Using Networks. A more comprehensive student code of conduct can be found at https://students.lamar.edu/academic-support/code-of-conduct.html.

**GENERAL GUIDELINES TO RESPECT ALL PARTICIPANTS**

- Respect the right of each person to disagree with others.
- Treat people the same as you would face-to-face.
- Respect the time of others.

**GUIDELINES WHEN COMMUNICATING WITH OTHERS (EMAIL, DISCUSSIONS, BLOGGING, AND ETC.)**

- Always sign your name to any contribution you choose to make.
- Be constructive in your responses to others in the class.
- Do not use all caps (Doing so may be interpreted as shouting).
- Re-read your postings before sending them.
- Always think before you write.
- Respond respectfully.
- Use appropriate grammar and structure.
- Spell-check your postings.
- Use short paragraphs focused on one idea.
- Use appropriate business language at all times.
Technical Support

Technical Support can be located at http://students.lamar.edu/it-services-and-support/index.html.

Phone: 409-880-2222
Email: servicedesk@lamar.edu

Hours of Operation (CST):
Monday - Thursday 7:30 a.m.-12:00 a.m.
Friday 7:30 a.m. - 7:30 p.m.
Saturday 9:00 a.m. - 6:00 p.m.
Sunday 3:00 p.m. - 12:00 a.m.

Attendance Verification

Students must complete an Attendance Verification Quiz for ALL COURSES - both on-campus and online - in which they are enrolled each term by the third class day to comply with U.S. Department of Education attendance requirements. Failure to complete this quiz by the deadline may result in loss of course enrollment and/or financial aid. The quiz is located in EVERY COURSE through LULearn (Blackboard), even if the course meets on campus.

COVID-19 Statement

As we begin the new academic year, the COVID-19 virus that has challenged us since 2020 persists. Important differences in outcomes are observed, however, as safe and effective vaccines and therapeutic agents that reduce the risk of severe illness are now available. Consequently, we anticipate that our campus community will continue to be impacted by the virus and we encourage all faculty, staff, and students to practice individual safety protocols at their discretion.

We recommend good personal hygiene practices including regular handwashing and/or use of hand sanitizing products when soap and water are not readily available. Please show respect to those who choose to practice social distancing measures and wear face coverings.

Vaccines are available to those who seek them throughout the region and at the Student Health Center. Please self-screen for any signs or symptoms of COVID-19 and seek medical attention if you begin to feel ill.
