**Course Policies**

1. Absolutely no food or drink is allowed in the classroom under any circumstances other than drinks in a capped bottle or closed lid container.

2. No cell phones are allowed at any point during class unless an exception is made by the professor. Students will receive a warning; on a second offense they will be asked to leave and counted absent for the day.

3. Notes cannot be taken on any device other than the notebook provided for you by the Professor. The notebook must be brought with you to class every day. If the student does not bring the notebook, they will be given a warning; the second offense they will be asked to leave and counted absent for the day. If you do not have a hard copy of the books, print a PDF and bring it with you to class.

4. Attendance and absences count outside of the course rubric. There are NO EXCUSED ABSENCES. Each absence after the second is a reduction of 1/2 a letter grade from the student’s final grade in the course.
5. All readings and assignments must be completed and prepared the day they are due. Failure to do so may result in being asked to leave the class for the day and counted absent.

6. Class starts at 11:10AM, not after. If you are running less than 5 minutes late, please text the professor and let them know. If it is more than that, you may be counted absent. If the door to the classroom is locked, DO NOT KNOCK. You will be deducted 1/2 a letter grade if you disrupt class in this manner.

7. Wipe your feet - figuratively and literally - at the door. Do not bring your bad energy or personal problems into the classroom space. If you choose to do this, it may be considered disruptive behavior by the professor, and you may be asked to leave and be counted absent for the day.

8. All feedback on student work from other students will be positive and constructive. Any student who is personally disrespectful or rude to another student may be dismissed from the course.

Institutional Policies

COVID-19 Statement

As we begin the new academic year, the COVID-19 virus that has challenged us since 2020 persists. Important differences in outcomes are observed, however, as safe and effective vaccines and therapeutic agents that reduce the risk of severe illness are now available. Consequently, we anticipate that our campus community will continue to be impacted by the virus and we encourage all faculty, staff, and students to practice individual safety protocols at their discretion.

We recommend good personal hygiene practices including regular handwashing and/or use of hand sanitizing products when soap and water are not readily available. Please show respect to those who choose to practice social distancing measures and wear face coverings.

Vaccines are available to those who seek them throughout the region and at the Student Health Center. Please self-screen for any signs or symptoms of COVID-19 and seek medical attention if you
begin to feel ill.

**Academic Continuity Policy**

In the event of an announced campus closure in excess of four days due to a hurricane or other disaster, students are expected to check Lamar University’s website and login to LU Connect for instructions about continuing courses remotely.

**Academic Honesty Policy**

Lamar University expects all students to engage in academic pursuits in a manner that is above reproach. Students are expected to maintain complete honesty and integrity in their academic experiences both in and out of the classroom. Any student found guilty of dishonesty in any phase of academic work will be subject to disciplinary action.

The University and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including, but not limited to, cheating on an examination or other academic work which is to be submitted, plagiarism, collusion, and the abuse of resource materials.

All persons involved in academic dishonesty will be disciplined in accordance with University regulations and procedures. Discipline may include failure of the assignment and/or course up to suspension or expulsion from the university. The penalty may vary by instructor.

Additional information is available on the [Academic Policy website](https://students.lamar.edu/academic-support/academic-policies.html).

**ChatGPT Policy**

“Students should not use Artificial Intelligence (AI) regenerative applications to complete course assignments or for any other academic activities unless permitted explicitly by the instructor. AI, or any other machine generated information, should be used as a supplemental resource and should not replace traditional academic activities.”

**Attendance Verification**

Students must complete an Attendance Verification Quiz for ALL COURSES - both on-campus and online - in which they are enrolled each term by the third class day to comply with U.S. Department of Education attendance requirements. Failure to complete this quiz by the deadline may result in loss of course enrollment and/or financial aid. The quiz is located in EVERY COURSE through LULearn (Blackboard), even if the course meets on campus.

**Course Drop Policy**

Students may drop a course and receive a grade of “Q” during the penalty-free period of the semester or session. For drops after this penalty-free period, grades are recorded as “Q” or “F,” indicating the student was passing or failing at the time of the drop. A grade of “Q” may not be assigned unless an official drop has been processed through the Records Office. Students may drop a course online up to
the census day by logging into Self-Service Banner. After the census day, courses must be dropped through the Records Office. For additional help, contact the academic advisor or the Records Office at registration@lamar.edu. Students may not drop a course during the last 20 percent of the term. Students should check the academic calendar at https://www.lamar.edu/academic-calendar (https://www.lamar.edu/academic-calendar) for specific dates.

If you are registered with the ARC and have a current letter requesting reasonable accommodations, we encourage you to contact your instructor early in the semester to review how the accommodations will be applied in the course.

Additional information is available at the ARC website (http://www.lamar.edu/disability-resource-center/).

**Severe Weather**

Follow the directions of the instructor or emergency personnel.

Seek shelter in an interior room or hallway on the lowest floor, putting as many walls as possible between you and the outside.

If you are in a multi-story building and you cannot get to the ground floor, pick a hallway in the center of the building.

Stay in the center of the room, away from exterior walls, windows, and doors.

**Violence/Active Shooter**
